... help 'fill the gap' with love for those who can no longer care for themselves – become a GAP volunteer.

The Marshall County Guardianship Program or GAP is a United Way Community Partner serving disabled and aging adults in our community who have no one willing or able to help them make important decisions about their health and well-being.

GAP needs compassionate volunteers willing to become legal guardians for these individuals. Call 256-388-9851 to learn more about this essential community program or to schedule a presentation for your church or club. YOU can make a difference!
