

Habitat for Humanity of Marshall County is asking your company to get involved!!

This amazing event will be held at Civitan Park in Guntersville August 13, 2022

For those unfamiliar with dragon boat racing, it is a boat made up of 20 paddlers, a drummer, and 1 steer person in which the goal is to paddle as a team and cross the finish line ahead of your competition. It is a great team sport and encompasses the elements of team spirit, synchronization, and endurance. This is an annual community event with a little friendly competition all while raising funds to support the building projects of Habitat for Humanity. If you have never been to a dragon boat festival you are in for an amazing, fun- filled family event.

Sign up YOUR Dragon Boat Team TODAY!!
