**The Sand Mountain Reporter is doing something a little different
to help drive customers to local businesses this Holiday Season!**

In place of the usual Black Friday wrapper, we will publish a 4-page section starting the week before Thanksgiving. This special section has 24 spots available. Each spot is \$900. For the \$900, the business will get that ad printed 5 separate days; they also get two vacation packages. The business has to draw for one of the vacations to be given away to a customer that visits their business and enters the drawing. Businesses **must** give away one of the vacation packages but can use the other one for themselves or give it away as a reward to an employee. There are no presentations for Time-shares and no black-out dates for the vacation.

Call Jonathan or Abigail at The Sand Mountain Reporter at 256-840-3000 for more info.
