

JOIN US AT GUNTERSVILLE LAKE'S NEW CITY HARBOR, GUNTERSVILLE, AL ON MARCH 25th, 2023.

Come celebrate the beginning of spring on beautiful Lake Guntersville: enjoy good food; socialize with wonderful people; listen and dance to fantastic music and show support for our local businesses. The fun starts at 4:30pm with the "Hayes Band" kicking off this event on the patio at the Brewer's Cooperative. HBT Smokers, a local business that builds fantastic smokers and grills, will be filling the air with the smell of whole hogs cooking. The Brewer's Coop will serve a dinner special beginning at 5:30pm consisting of pulled pork from the whole hogs with sides to complement the pork. This special will be available for as long as the pork lasts. Beverages are not included. The Coop will also prepare another selection for those that do not eat pork (upon request), or you can order off the normal menu at menu prices. Beverages, including craft beer and mixed drinks, will be available for purchase at the bar. After dinner, a thirteen-piece band called "Junctional Rhythm", will be playing outside Levi's beginning at 7:30pm. Access to the Junctional Rhythm band event will be free to the public (see their flyer below). Beverages will be available for purchase at Levi's bar. Bring your dancing shoes and join us at City Harbor!
