I'm Karen Cardwell, volunteer coordinator for hydrofest. We would love for you to be one of our volunteers!

Our greatest need is gates. We have security at each gate. Our volunteers scan tickets, place armbands on wrists and answer any questions our guests have to ask.

Dates are June 24-25, 2023

We have 2 shifts a day:

7am til 12 pm

12pm to 5pm

I need to know what day and shift you'd like to sign up for, your t-shirt size, and if there is anyone you'd like to be assigned with.
